**Filing of Missing Parts**

In response to the Notice of Missing Parts mailed on 16 July 2001, enclosed are the following documents for filing with the above-referenced patent application:

- An executed Declaration and Power of Attorney.

Kindly place these documents in the application's file and commence examination.

**Notice Regarding Naming and Order of Inventors (MPEP 605.04(f), 605.04(g))**

Regarding the Declaration, please note that the first-listed inventor should be **Blue John Ramsey** rather than **John Blue Ramsey**. As reflected by the executed Declaration, the prior designation "John Blue Ramsey" was incorrect in that the first and middle names were reversed. It is requested that Blue John Ramsey remain the first-listed inventor for this application and any patent issuing therefrom.

I certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: BOX PCT, Assistant Commissioner for Patents, Washington, D.C. 20231.
